

NATIONAL ALLIANCE OF HUMANITARIAN ACTORS, BANGLADESH

NAHAB - a platform to harness localisation and collaboration among humanitarian actors

Building Disaster Resilient Communities in Bangladesh

Goal of NAHAB is to encourage and support national/local non-governmental humanitarian organisations and other relevant actors to uphold their voice, representation and commitment to invest for faster, needful and effective humanitarian actions in Bangladesh.

NAHAB OBJECTIVES

- Advocacy for active engagement of L/NNGOs in decision making in the humanitarian actions and management architecture;
- Networking for collaboration and coordination among GO, NGO, Private sector humanitarian actors and forums at all levels;
- Create a common space to share information, experiences, and research findings;
- Capacity building of local actors to deliver faster, need-based effective and efficient humanitarian services;
- Work closely with public sector agencies for pro-active roles and support in disasters;
- Promoting collective efforts of L/NNGOs for accessing resources;
- Advocacy for policies on emerging issues and context;
- Raise the voice of local and national humanitarian actors;

THEMATIC FOCUS

Fostering better
COORDINATION

Information &
KNOWLEDGE
management
